WELCOME TO COSMIC LOVE CABARET

Come. Enter a world where your fantasies can come true.

Cosmic Love Cabaret, takes you to a time when a little leg is risqué, bared skin is a thrill, and we aren't filled with ennui over fishnets and feathers. Nostalgia.

Va-va-voom!

IS FIRE YOUR DESIRE?

Cosmic Love is more than a cabaret. It's a supper club. It's a burlesque show. It's a circus... It's improv comedy, vaudeville revue, music, dance, cirque and sensuality spun in a dizzying and colorful new form that is never quite the same from evening to evening. The fast-paced action of the show unfolds above, around, and even alongside the audience as they dine on a celestial feast from all ends of the known universe.

MUSIC:

What do you get when you put a clown, some bubbles, and a fat panda together?

An Octopoid Dixieland Band? Or maybe just a song? A bawdy tune.

Torch singers are the classic burlesque entertainment. Ours will entertain you with a sad song whilst you sup.

CIRQUE:

What is madness without circus? Our acrobats and artists perform between torch songs and bawdy burlesque.

Dance! Acrobats! Trapeze! Show stopping, heart pounding acts.

Feats (and feets) will leave you breathless.

BURLESQUE :

Humor and theater designed to parody and entertain to exaggerated proportions. Cosmic Love Cabaret's burlesque is renown.

Shed your skin and take on a new one. From male to female to human to....

THE VENUE:

Your evening begins with an entry into the venue which mimics an old world Spiegeltent. The Spiegeltent gives you a feeling of being transported through time to a unique era and place. We suspend reality, bend it, stretch it until you just accept it. Then, you relax. Everyone in the venue is part of the show... including you!

The spiegeltent is an open arena unlike any other.

Theatre in the round that you surround.

A SHOW:

You will be seated by a member of our cast around the edges of the arena in the booths. Or, if you are more adventurous, you may reserve a main floor seat. Above you will be the trapeze. Ultimately, you could be far more of a participant so beware! Nobody will drop on you but we can't guarantee a garter or a cast member won't fall in your lap.

Trapeze above you.

Fire and fun betwixt.

DINNER

Dinner is a seven course creation of sumptuous proportions provided to you by imaginative chefs. The menu is planned by our head chef who was trained at the intergalactically renowned, Bullia Baise Institute. The menu changes with the show. Each course is brought out between acts so that you may dine and enjoy.

*Do they look like waiters? How observant... *wink**

Delicacies for every palate.
